

# TD68-D201K

IP Video Intercom Outdoor Station

## Product Functions

Password  
Unlock

Card Unlock

QR Code  
Unlock

Remote  
Control

Automatic Door  
Status Detection

Visitor  
Message

Facial  
Recognition

Smart Advertising  
Playback

Video Call

Camera  
Surveillance

Elevator  
Control

Trudian Community  
Management Center  
Platform

## Product Features

features 7" full touch screen with tempered glass panel, providing a user-friendly interface for interactions. Capable of recognizing up to 10,000 faces with liveness detection, bolstering access control and security. Designed for wall-mounted installation, offering flexibility in placement. Provides multiple unlocking methods including indoor monitor, facial recognition, password, card, QR code, and cloud platform remote control. Supports visitor messages, elevator control, and smart advertising playback functions. Seamlessly integrated with the Trudian Community Management Center Platform for remote control.

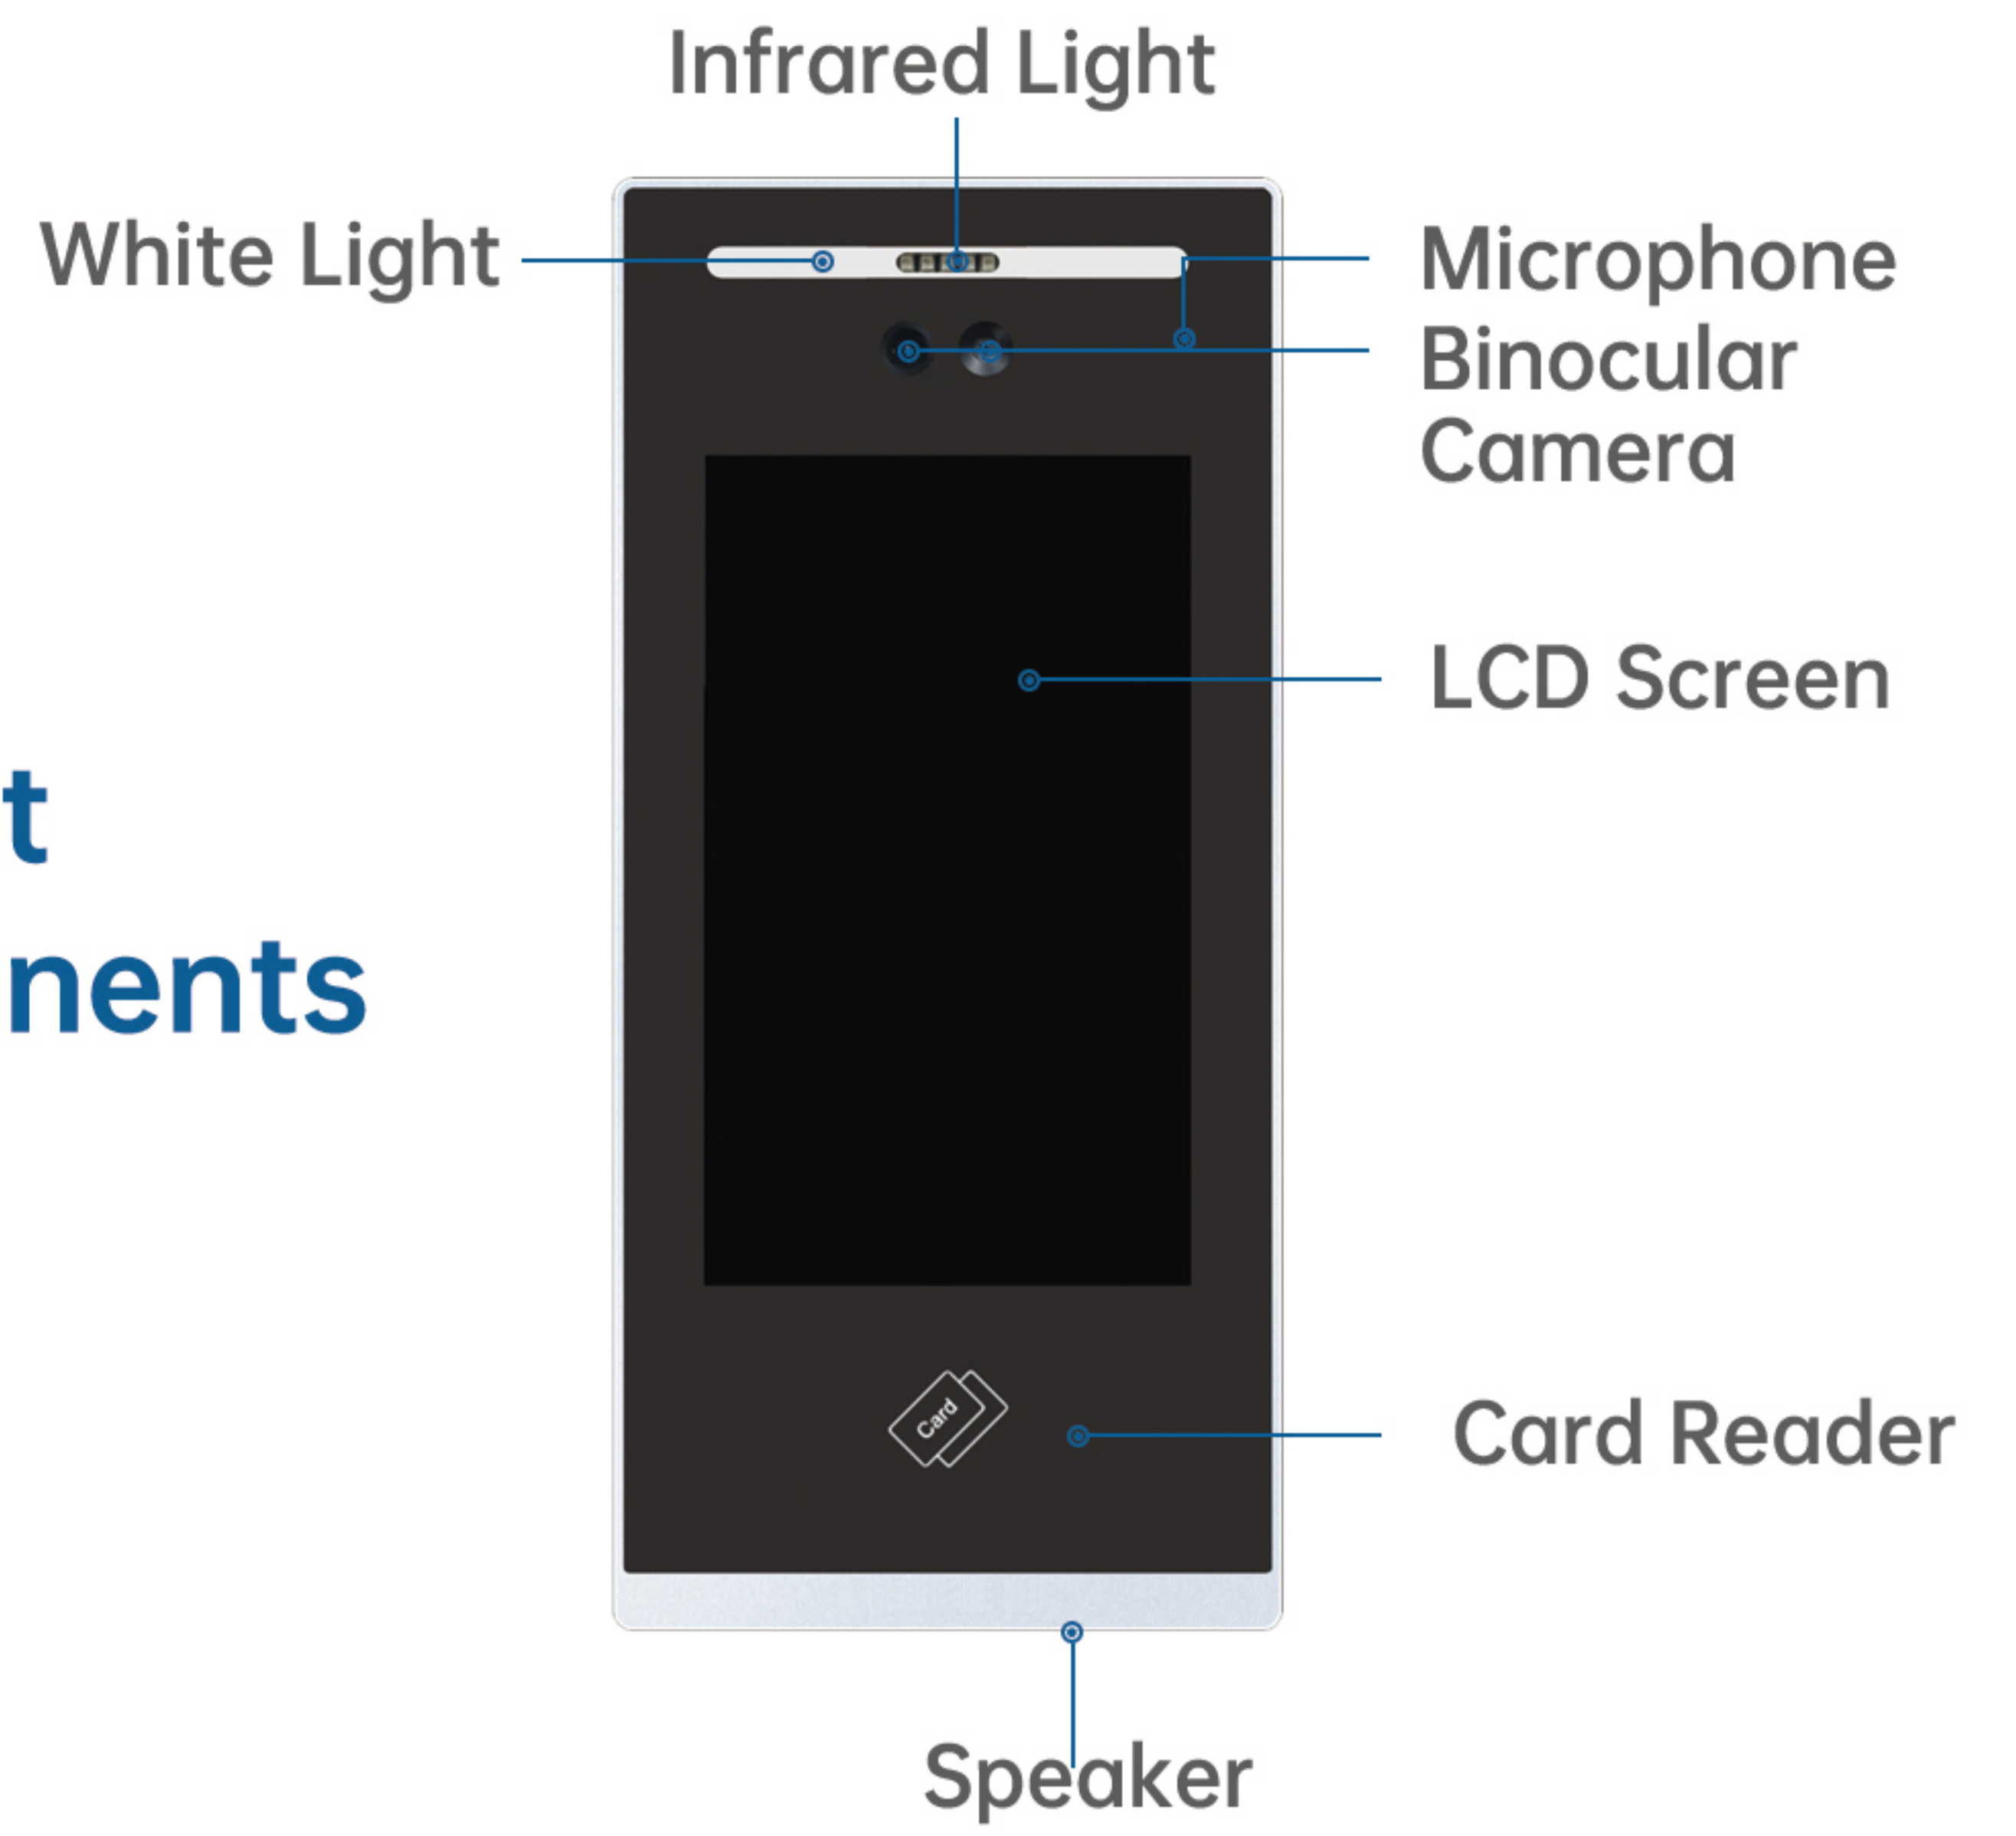

## Product Specifications
